NOW THROUGH THURSDAY, OCTOBER 13
If you have online access please go to <http://bit.ly/2d8cGWe> and agree to your child's Media Release form. You do not actually fill anything out on the form - the form is there for you to read. What you need to do is fill out the information below the form and this will be considered your signed agreement. If you do not have online access, please let the office know and we will give you a hard copy. If you do have online access, agreeing to the form in this way will be very economical for the school.
