REMINDER

Picture retakes are this Thursday, Oct. 27th starting at 9:15. If your child was absent on Sept. 28th or a 3 or 4 year old that was not in class on Sept. 28th, you may dress up and plan to have your picture taken. If you are not satisfied with the pictures of your child that were sent home, please follow the instructions on your packet and send it with your child the day of retakes.

Grade cards will be sent home on Friday, Nov. 4th with each student.

If you have not returned your parent-teacher conference form, (grades K-8) please do so by tomorrow. This will save a phone call to you to schedule a time with your child's teacher. Thank You!

Stop by for some coffee and conversation with Sr. Lynda in the Discovery Lab at one of three times offered the first week of November. This is an informal opportunity to hear from our principal on some school updates and for you to provide feedback on your experience with HCCS so far this school year. Family feedback is important to the continual improvement of your child(ren)'s school and always welcome - please contact Sr. Lynda or another member of HCCS staff anytime you have feedback, an idea or concern at 419-784-2021.

Grade 5 is taking orders for cookie dough and other delicious treats starting Oct. 28th - Nov. 16th. Delivery will be after Dec. 8th. This is a fund raiser for their trip to outdoor camp in the Spring. If you want to place an order see Mr. Cramer or any 5th grade student.

Be Proactive....The weather is cooler, please make sure your child has a coat as they do go outside for recess! Also please put their name in all jackets.

HCCS is a collection site for Coats for Christmas project. They are asking for good used winter coats for all ages but especially children. The collection barrel will be in the main entrance until Nov. 4th. This will be a **win-win** when you donate! Thanks!

Service Project

Believe it or not it is almost time to start thinking-----Christmas! In December the third graders have made tie blankets for area nursing homes, as well as the women's shelter where they are given to mothers or their children. The students enjoy this project very much. For each tie blanket 2 pieces of fleece is needed. They can be plain colored or a design, usually one of each works great. This year we will be making both lap blankets and regular sized throws. If you want to donate fleece for this project the sizes need to be either 36" x 48" or 2 yards, each blanket takes 2 pieces of fleece. The more fleece donated the more we can make. This project is **synergizing** in action!!!

Basketball News: We have a boys coach and more info will be coming home soon! Only 2 girls signed up and they will play on the St. John Lutheran team.
