Mid-Term Reports

Last week ended the mid-point for the final quarter of the 2016-17 school year, can you believe it? Progress Reports are available for parents to view on MSP under the Academics module. Please help your child keep the end in mind and complete all assignments so they can finish the school year strong.

We give a **BIG THANK YOU** to Janet Barnes, Jeff Weidenhamer, and Bill Warren for their beautiful job on the memory garden flowers. We accept monetary donations for the maintenance of the garden.

Lunch and Learn

Joshua Zientek of the Ohio Department of Natural Resources presented to grades 5-8 on May 5th. The students have learned about a variety of career choices over the last 8 months. A special thank you to all of them for taking time out of their day to spend lunch with us.

Mass on Wednesday, May 10th is planned by Grade 2. They will be celebrating Eucharist together as a class for the first time. All are welcome to join us in the chapel at 9:30 where we put first things first.

Knight of the Arts!!

Thank you to all that attended the evening of music and viewing of art. All students did a great job! Congrats to Mrs. Fisher and Mrs. Harris.

Please note: For our Mass on Wednesday, May 17th this will be our special "Knighting" Mass for the Pre K 4 year olds. We are asking that all students sit with their own class and not with their family. This will help us to reserve the correct amount of seating for classrooms and our honored guests, the Pre K 4's and their families. **Let's be proactive and synergize so it will be a win-win for all!!**
