Cold Weather

Students will go outside for recess as long as the temperature with wind chill is at least 24 degrees. Please make sure that students bring a coat, hat, and gloves every day. In the event that there are snow piles on the playground, students must have snow pants and winter boots in order to be able to play in the snow. If they do not have these items, they will play only in the blacktop area. If you have any questions or concerns regarding this information, please call the office, thank you!

Cold & Flu Season

HCCS works very hard to provide a safe, happy, and healthy environment for our students to learn and grow. Students with a temperature of 99 degrees or higher should not attend school until they have been fever free for at least 24 hours, without the aid of fever reducing medicine. Students that have visited their physicians should follow his/her instructions. Thank you for your cooperation.
