## **2019 INDOOR TRICK OR TREAT EVENT**

### **TRICK OR TREAT STATION THEMES**

Station Sponsors are asked to select their desired theme or propose their own theme. Our volunteers will decorate the treat station in the designated theme (sponsors are welcome to assist with this task). The treat handed out is coordinated with the theme. For example, in 2018, Brunswick Contact and Eye Center's sponsored station was "Spooky Eyes". The treat giveaway was a bouncy ball that resembled an eyeball. Our sponsors have almost more fun than our trick-or-treaters!
